

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF OREGON  
PORTLAND DIVISION

**FREDRIC ALAN MAXWELL,**

Plaintiff,

v.

**JEFF HEATHERINGTON;  
FAMILYCARE, INC.; and FAMILYCARE  
MEDICAL CLINICS, INC.,**

Defendant.

**MOSMAN, J.,**

No. 3:14-cv-00384-AC

OPINION AND ORDER

On August 13, 2014, Magistrate Judge Acosta issued his Findings and Recommendation (“F&R”) [22] in the above-captioned case, recommending that Plaintiff Fredric Maxwell’s Motion for Voluntary Dismissal be granted and that Defendants Jeff Heatherington, FamilyCare, Inc. and FamilyCare Medical Clinics, Inc.’s Motion to Dismiss be denied. No objections were filed.

**DISCUSSION**

The magistrate judge makes only recommendations to the court, to which any party may file written objections. The court is not bound by the recommendations of the magistrate judge, but retains responsibility for making the final determination. The court is generally required to make a de novo determination regarding those portions of the report or specified findings or

recommendation as to which an objection is made. 28 U.S.C. § 636(b)(1)(C). However, the court is not required to review, de novo or under any other standard, the factual or legal conclusions of the magistrate judge as to those portions of the F&R to which no objections are addressed. *See Thomas v. Arn*, 474 U.S. 140, 149 (1985); *United States v. Reyna-Tapia*, 328 F.3d 1114, 1121 (9th Cir. 2003). While the level of scrutiny under which I am required to review the F&R depends on whether or not objections have been filed, in either case, I am free to accept, reject, or modify any part of the F&R. 28 U.S.C. § 636(b)(1)(C).

Upon review, I agree with Judge Acosta's recommendation, and I ADOPT the F&R [22] as my own opinion.

IT IS SO ORDERED.

DATED this 12th day of September, 2014.

/s/ Michael W. Mosman  
MICHAEL W. MOSMAN  
United States District Judge
